Refund and Return Policy

Acme Shop | Last updated: March 3, 2026

Acme Shop wants you to be happy with every order. If something isn't right, you can return it under the rules below.

Return window

You have **30 days from the delivery date** to start a return. After 30 days we cannot accept returns, except for defective items, which are covered for 90 days from delivery.

Condition of items

Items must be unused, in their original packaging, and include all accessories and manuals. Items that show signs of use will be rejected and sent back to you at your expense.

Final Sale items

Anything marked **"Final Sale"** on the product page, including all clearance items and gift cards, cannot be returned or refunded.

How to start a return

1. Sign in and open **Orders**.
2. Select the order and click **Start a return**.
3. Choose a reason and print the prepaid label (or request a QR code for drop-off).

Return shipping costs

- Defective or wrong items: return shipping is **free**.
- Any other reason: a **$6.95 label fee** is deducted from your refund.

When you get your money back

Once the warehouse receives your item, we inspect it within 2 business days. Approved refunds are sent to your **original payment method** and take **5 to 7 business days** to appear, depending on your bank.

Large orders

Returns for single items priced over **$500** require approval from the Returns Team before shipping. Contact support first to avoid delays.

Gifts

If the item was a gift and you don't have the original payment details, we issue **store credit** instead of a refund. Store credit never expires.

Exchanges

We don't offer direct exchanges. Return the item for a refund and place a new order.
